Pop star Michael Bubl  has won 4 Grammy Awards, been voted the American Music Awards Favorite Adult Contemporary Artist, has 4 Number 1 Albums, and sold more than 30 million albums to date. He's called the "Croon Prince", thought of as the heir to Sinatra and commands hundreds of thousands of dollars for each performance.

SHADES OF BUBL : A Three-Man Tribute to Michael Bubl  brings the swinging standards and pop hits of Michael Bubl  to the stage in an unforgettable high-energy concert event. Delivering a setlist comprised only of songs recorded or performed live by Michael Bubl , this world-class tribute act honors the sophistication, retro style, and high-energy fun that Bubl  himself brings to his concerts while engaging diehard fans with thrilling new three-part vocal arrangements. Enjoy the big-band standards from the jazz era, classic hits from the 50s/60s/70s, Billboard chart toppers from today, as well as all of our favorite Christmas holiday classics in a high-energy show that generates standing ovations from sold-out crowds across the country. Bubl 's Christmas Album rose to Number 1 on the Billboard 200 album sales chart, spent 5 weeks at No. 1, and earned a Juno Award for album of the year - the first holiday album to win the award. Join us for a fantastic celebration of the holiday season.
